STAT MEMORANDUM FOR: [REDACTED]
DCI/Logistics

STAT FROM : [REDACTED]
DCI/History Staff

SUBJECT : Office Equipment

1. In anticipation of delivery of our Wang equipment today, I would like to request three plastic floor pads. The pads will be necessary to help curb static around the terminals.

2. Also, the gentlemen have yet to pick up the two IBM electric typewriters.

3. With the arrival of the Wang equipment we will be looking forward to the delivery of two typewriter chairs (could they possibly have the black seats?) and the repair or replacement of the typewriter chair in Dr. McDonald's office. With all that taken care of, we hope the Tab tables will be delivered shortly.
